

Smart Funeral Cover

Build Funeral Cover For *Almost Anyone.*

There is a well-known saying that goes like this, “*In life there are two certainties - death and taxes*”. However, we believe there should be a third, “Oracle Life’s ability to provide fast and affordable insurance through our Smart Funeral Cover, in the event of you or a loved one passing on”.

Smart Features

You finally have the ability to Build Funeral Cover for almost anyone*. No forms, No medicals. From the comfort of your home, or anywhere in the world using your phone or laptop.

Get up to E150,000 funeral cover per immediate family member and E50,000 per extended family member, with instant cover for accidental death and a quick turnaround time on claims.

From as little as 60c* a day, cover those closest to you subject to the following limits:
